The Backman-Tinsch Wild Animal Shows.

Entirely New Departure in Tented
Amusements, Coming Here For
One Day Only.

At last Hondo is to see the newest
novelty in out-door tented amusements,
when the new Backman-Tinsch two
ring wild animal shows come here
Tuesday, March 16th for one day only,
afternoon and night, and to its credit
everyone will concede the program
for extreme novelty is unequalled in
thrilling wild animal training.

This organization is a well known
enterprise in all the largest cities and
now for the first time will devote its
endeavors to all sizes of cities and
towns, giving the same high-class en-
tertainment at every place where the
big tents are erected.

This enterprise is calculated to
please every admirer of wild and
domestic animal training and is particu-
larly pleasing to the children and
the ladies, for whom the manage-
ment pays particular attention, and
where they are as safe and comfort-
able as at a lecture, or in their own
home.

A big thrilling lion act by a skilled
trainer is one of the features, inter-
persed with all kinds of startling and
dangerous performances, in a long and
praiseworthy program.

For the children and all the little
ones, this management has made such
special provision and attractive ar-
rangements that they will never for-
get the pleasant visit to the big Back-
man-Tinsch Wild Animal Circus, for
during the visit to this clean, clever
and well conducted enterprise all the
little folks will be invited to ride and
play with the educated ponies, the
little horses and complete a full day's
enjoyment.

Mrs. Henry Wernette.

The people of this vicinity were
grieved Wednesday when they learned
that Mrs. Henry Wernette had de-
parted this life at her home near
D'Hanis. She was a daughter of Mr.
and Mrs. Andrew Schuele, was a na-
tive of Medina county and enjoyed the
love of a large circle of life-long
friends. While the Death Angel re-
lieved her of her suffering, she having
been an invalid for quite awhile, never-
theless her loved ones were loth to give
her up, and her passing has cast a
pall of sadness over them which time
alone, the healer of all wounds, can
remove.

Her funeral occurred Thursday even-
ing, her body being consigned to
Mother Earth in the D'Hanis ceme-
tery, her pastor, Rev. A. Falkenberg,
conducting the services.

To the stricken relatives the Anvil
Herald, in connection with a host of
other friends, extends sympathy in
this their hour of deep sorrow.

Announcement.

For Representative 116th District
We are authorized to announce
GROVER C. MORRIS
as a candidate for re-election to the Legislature
from the 116th District of Texas, subject to the
Democratic Primaries in July.

A mass meeting of the citizens of
Medina county was held at the court
house last Saturday evening at which
a Uniform Tax League was organized,
E. R. Leinweber being elected presi-
dent, Joe Ney, vice-president, and W.
N. Saathoff, secretary-treasurer. A
committee to solicit funds to aid in
the fight against the present unjust
system, was authorized. The outrag-
eous system now in vogue whereby
some of the rich east Texas counties
draw \$100,000 or more from the State
treasury than they contribute, is a
matter that should be righted, and it
is the purpose of the people of Medina
county to do their part in the matter.
The meeting was addressed by Hon.
Gus. Reininger, the tax expert of New
Braunfels. It was the sense of the
meeting that a convention of dele-
gates from all the counties of west
Texas should be called to meet in San
Antonio at an early date to enter a
vigorous protest against the injustice
of the present tax system.

The Parent-Teachers' Association
will meet at 4:00 p. m. March 8, at the
school building. All mothers and
friends of the school are urged to at-
tend these meetings.

County Surveyor Haass was en-
gaged this week in surveying the
southern end of the proposed "air line
road" between Hondo and Devine.

Resolution of Respect.

Whereas, it has pleased our Heav-
enly Father in his infinite Wisdom, to
remove from our midst Brother W. H.
McClagherty who was a faithful
member of Yancey Chapter, Order of
Eastern Star, and

Whereas, we bow in humble sub-
mission unto Him, who doeth all
things well, therefore be it

Resolved, that we deeply mourn the
loss of our brother; further be it

Resolved, that we extend our most
profound sympathy to the bereaved
family, and point them to Him who
alone can give comfort and consol-
ation to the sorrowing; further be it

Resolved, that a copy of these res-
olutions be sent to the bereaved family,
a copy be spread on the minutes of
our Chapter and one copy be sent to
the Anvil Herald for publication.

Home Relief Association.

A new society, similar to the Me-
dina County Aid Society, was orga-
nized on March 2, 1920, and will be
known as the "Home Relief Associa-
tion. Its officers are as follows: W.
N. Saathoff, Pres.; John M. Finger,
Vice-Pres.; H. H. Crow, Secretary-
Treasurer and L. E. Heath and S. A.
Jungman, Trustees.

On account of the membership in
the Medina Aid Society being limited
to one thousand, there are quite a
number who were denied membership,
and the organization of a new society,
on the same plan as the old, will no
doubt be welcome news to them.

Hon. G. C. Morris opens the 1920 political campaign by making formal announcement in this issue of this paper of his candidacy for re-election as Representative from this, the 116th, Representative district. Mr. Morris was elected at a special election held last November to select a successor to Hon. H. P. Hornby, resigned. There having been no called session of the Legislature since that date, Mr. Morris has not had an opportunity to take his seat in that body, and naturally he and his friends are anxious, and laudably so, that he be re-elected to a full term.

H. H. Crow, who for the past year and a half has been assistant postmaster, has resigned and has been succeeded by Hugo Schweers, rural route carrier, and Ben Wiemers has assumed the duties of route duties relinquished by Mr. Schweers. Mr. Schweers has had considerable experience in the office, he serving as postmaster during the "flu" epidemic last year while the office force was tussling with that malady, and escaped being mobbed. Mr. Crow, for the present, will confine his energies to pushing the interests of the Home Relief Association, a new fraternal insurance proposition.

Jesse Chambers, tried at the last term of the district court on a charge of assault to murder and given a term of four years in the State penitentiary, and whose case was appealed to the Appellate court, has withdrawn his appeal and will be carried to the penitentiary as soon as a transfer man calls for him. This case was transferred to this county from Zavala county on a charge of venue.

WE-unses Pigs Abroad.

John H. Meyers, living west of the river, drove by this office last Saturday and showed us two of the prettiest young sows we have seen in many a day. They were registered Duroc-Jersey stock and he had just received them from Mrs. Fletcher Davis, of Hondo. He wanted it distinctly understood that the pigs were purchased from Mrs. Davis and not Mr. Davis. The Davis' are publishers of the Hondo Anvil Herald and in addition to getting out a mighty good paper, Mrs. Davis finds some time to devote to the raising of fine hogs. Mr. Davis is one of the field agents for the State Department of Agriculture and no doubt through Mrs. Davis' good management, better judgment and hard work with her registered herd of Duroc-Jerseys, he goes about the State telling the farmers "how WE raise registered hogs." At any rate the pigs were beauties and cost Mr. Myers \$25.00 each. Never before in the history of Wilson county has so much interest been manifested in registered hogs and in a few years the quantity and class of hogs shipped from here are going to bring big returns to those who made the investment. Let the good work go on. That is one of the beauties of having a County Agent whether he accomplishes anything else or not—but Wilson county is fortunate enough to have an agent who is getting results all down the line.—The Floresville Chronicle-Journal.

Mr. and Mrs. James D. Conner arrived Wednesday from Little Rock, Arkansas, on a visit to Mrs. Conner's mother, Mrs. Sadie Hutzler. The gentleman's visit was a brief one, however, much shorter than he anticipated, he having received a telegram from his employing company requesting his presence in Detroit for the purpose of designing a new model automobile.

Overton Schmidt has gone to Dallas to be with his brother, Ira, who is to undergo an operation today. Ira has recently had a severe attack of pneumonia, and while he is now convalescing his attending physician thinks it advisable to drain one of his lungs.

U. S. INCOME TAX EXEMPTS NOBODY

Every Person Who Had Income in 1919 Must Determine Own Liability.

MARCH 15 LAST FILING DATE.

Surest Way Is to Follow Form 1040A.

Free Advice in Doubtful Cases.

Severe Penalties in Law.

Nobody is exempt from Income Tax. An obligation is laid directly on the shoulders of each citizen and resident to consider his own case and to get his return in on time if one is due.

With each return showing a tax due a payment must accompany the return in the full amount of the tax or at least one-quarter of the tax.

All returns for 1919 must be filed on or before March 15.

Must Show True Figures.

In figuring up his earnings for income tax purposes a person must take into consideration all items of taxable income, and each item itself must be accurate in amount. Guesses and estimates must be avoided, for the return is made under oath.

Everybody who had an income during 1919 must now determine whether his or her net income was sufficient in amount to require an Income Tax return. The best way to find out is to get a Form 1040A and follow the instructions printed on it. That form will serve as a reminder of every item of income; and if a return is due, it tells how to prepare and file it.

One of the important points to keep in mind is that a person's net income is found by a computation prescribed in the law, and that each item of income from every source must be considered, unless specifically exempted.

Another thing to remember is that the personal exemption allowed taxpayers by law has no relation whatever to the requirement to file return. This exemption is not to be considered until a person has figured out his net income and determined whether it was sufficient to require him to file a return. Then, if a return must be filed, he should read carefully the instructions for claiming exemption, and complete his return.

If in doubt on any point as to income or deductions, a person may secure free advice and aid from the nearest Internal Revenue office. Many banks and trust companies are also furnishing similar service during banking hours.

Heavy Penalties in Law.

For failing to make a return on time the penalty is a fine of not more than \$1,000 and an addition of 25 per cent to the tax, if any. For making a false or fraudulent return the penalty is a fine of not more than \$10,000 or imprisonment not exceeding one year, or both; and, in addition, 50 per cent of the tax. There are other penalties for failing to pay tax when due and for understatement of the tax through negligence.

Many Sources of Income.

Aside from what one may earn by his services, there are many other sources of income. If he sold any property during 1919 he must figure out the gain realized. If he rented buildings, land, apartments or rooms such rents must be considered taxable, and he may claim deductions for necessary expenses incidental to rents.

Bank interest is a common source of income and is taxable whether withdrawn or not. Any amount of interest credited to a depositor is income to the depositor.

Interest on mortgages and notes is taxable; also bond interest received from corporations.

A taxpayer who cashed his insurance during 1919 must report as income any excess received over the total of premiums paid.

Members of partnerships or personal service corporations or beneficiaries of an estate or trust must report their shares of income distributable to them whether or not actually withdrawn.

Dividends of domestic corporations must be reported. Many other forms of income are taxable, unless specifically exempted.

Statements That May Be Investigated. Testimony of Hondo Citizens.

When a Hondo citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Hondo resident. No stronger proof of merit can be had.

B. H. Robinson, carpenter, says: "Several years ago I was troubled with my kidneys. I had to get up about three or four times at night to pass the kidney secretions which were scalding and highly colored. I had dizzy spells and black specks would appear before my eyes. My back ached and I had sharp pains in the region of my kidneys. A friend told me of Doan's Kidney Pills, so I got a box. That one box of Doan's regulated my kidneys and my back never aches now."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Robinson had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

American Library Association Urges Adoption of County Library System.

IDEA PROVES SUCCESSFUL

California, the Pioneer—Other States Adopting the Plan.

The American Library Association, in announcing its "Books for Everybody" movement, which is to be nation wide in its scope, advises and urges the extension of the county library system as a solution of the problem of supplying good literature to the rural districts. Its intention is to persist in advocating the nation-wide adoption of the idea as successfully applied in California, Ohio and Maryland until every one of the 2,934 counties in the nation have adopted the system and regular shipments of good books are being made from the central point in the county to the designated outposts. California stands out as the highpoint in the successful application of the idea. Of the 58 counties in the state 42 have adopted and are supporting the system at a trifling cost. This it urges as a part of its enlarged program which aims to promote a better citizenship and to combat the social and industrial unrest through the teaching of American ideals and traditions to the foreign born.

The book needs of the sixty million or more Americans who live outside of the big cities will be called to the attention of those in a position to serve them.

County Libraries Urged.

The county library system provides for establishing one central library at the county seat or in the largest town in every county. This does not mean necessarily the erecting of a library building and the stocking of its shelves. In many cases the tools already exist. From this central station books will be loaned to designated outpost stations. The books will be delivered by trucks, parcel post or whatever method may be adopted in any given county to the country stores, tollgates, post offices, schoolhouses and private homes. When one shipment has been circulated and returned another will be sent out. Also, in communities of any size in the county, branch libraries will be maintained.

The American Library Association, with its 4,000 active librarian members and its 40 years of practical functioning, is in a position to know the needs of the country and in the fight for wider knowledge is a force to be reckoned with.

The Enlarged Program calls for an expenditure of \$2,000,000. There will be no drive or intensive campaign. The money will be raised by the librarians, library trustees and friends of libraries. The movement for better citizens and a well read population is on and the slogan is "Books for Everybody."

"BOOKS FOR EVERYBODY!"

Four Thousand Librarian Members of the American Library Association in Nation-Wide Movement.

Since the advent of peace the American Library Association has turned its efforts from war work into other channels. With the benefit of its forty years of experience and the co-operation of its membership of 4,000 active librarians in all parts of the United States, in addition to continuing certain war activities not taken over by the government, it proposes to promote the development of the library systems throughout the country and to encourage the reading habit in all ways possible. The A. L. A. supplied over 7,000,000 volumes to our fighting men here and overseas and on board vessels. It has the confidence and the admiration of the nation back of it in inaugurating its "Books for Everybody" movement. The money to carry out the provisions of the campaign will not be raised through an intensive drive, but will be obtained by the librarians, library trustees and friends of libraries, who have enthusiastically pledged their co-operation in obtaining the necessary \$2,000,000.

MANILA CARNIVAL BIG ATTRACTION OF FAR EAST

This is the season of the year when the Philippines become the playground for the entire orient. It is carnival season in Manila.

In 1908 the first Philippine carnival was held on historic Wallace Field in Manila in February, when the climate of the islands is at its best, and each succeeding year there has been a larger and more elaborate celebration. The 1920, or Victory Carnival, will be the greatest event of its sort ever held anywhere in the Far East.

There are commercial and government exhibits in connection with the carnival, and on no other occasion is it possible to gain at once such a comprehensive idea of the production and development of resources of the archipelago as that which is offered the visitor at the carnival city.

In the evenings the carnival becomes the center of Philippine and oriental social activity. A huge open air auditorium serves for the elaborate nightly balls, and on its mammoth floor thousands of couples swing together to the strains of music furnished by the famous Constabulary and other military bands. Probably at no other place in the world will one see an equally impressive cosmopolitan spectacle.

The Manila visitor who can plan his trip to arrive at the Pearl of the Orient for carnival time may well deem himself fortunate.

WELL KNOWN TEXAS WOMEN

San Antonio, Texas.—"In my early married life I became very ill with feminine trouble and no doctoring or medicines gave me any relief until I started to take Dr. Pierce's Favorite Prescription. I was down in bed, unable to do my own housework, but it was only a short time before I was feeling stronger and all my pains left me. I took about six bottles of 'Favorite Prescription' and can say positively that it cured me of all feminine trouble for I have been in perfect health ever since. I take pleasure in recommending Dr. Pierce's Favorite Prescription to all women suffering with inward trouble."—Mrs. ANNIE F. EDDY, 224 Rogers St.

Houston, Texas.—"For more than thirty years I have always spoken a good word for Dr. Pierce's Medicines. The 'Favorite Prescription' and 'Pleasant Pellets' were my 'standby.' 'Favorite Prescription' was the medicine I would take for nervousness, weakness and run-down conditions and the 'Pellets' for constipation and sluggish liver and these medicines have never failed to give me just the help and renewed health that I needed. I still take the 'Pellets' when I require a mild laxative, and consider them the very best medicine of that kind I have ever taken."—Mrs. M. PARIS, 911 Dowling St.

Dr. Pierce's Favorite Prescription is not a secret remedy for all the ingredients are printed on the wrapper. Contains no alcohol or narcotics. Sold by druggists in liquid or tablets. If your druggist does not keep it, send 60c for tablets, or you can send to Dr. Pierce's Invalids' Hotel and Surgical Institute, Buffalo, N. Y., ten cents for trial package.

Success With Hogs.

BY CHARLES DAWSON

This is the golden era of the hog and the man who wishes to make the most of the great demand for hog products should get the new, timely book by Charles Dawson, "Success With Hogs" (Forbes & Co., Chicago), for it will tell him how to get the best results and covers the subject completely in a clear and reliable manner. The expert hog-raiser and the beginner will be enthusiastic over this interesting volume, the most useful book on swine ever published.

The world needs more and better hogs, there has been a great shortage during recent years with an increasing demand. Every farmer should raise hogs, no farm is complete without them. No branch of farming surpasses pork raising for quick money-making, and with a small investment and easy work. No feature can fit better into the program of a small farm and no line of production is safer and more profitable on a large place. However, as in every other industry, hog raising will be a failure if not properly conducted, but any person who follows the expert directions of this excellent book will succeed; for it shows how to avoid losses and tells everything one needs to know about hogs.

The author of this complete and practical guide to successful hog-raising is a well-known authority on the subject and has had a long and wide experience in every branch of the industry. He has written a splendid book which clearly gives the latest and best methods for the feeding, breeding and care of swine, with full directions and plans for making hog buildings and equipment,—nothing is omitted. Every farmer should read this important book at once; for it will help him to increase his ability and his profits. Price, \$1.25. Forbes & Co., Chicago. 32-11.

Why Colds Are Dangerous.

You are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer a cold hangs on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.

America's rail transportation systems, operated as a great public utility since Dec. 28, 1917, were again divided among their 230 respective corporate owners when the government released control at midnight February 29th. An army of federal managers and treasurers and many high officials will cease to function after March 1st.

Hint to those who have to make an income tax return: Beware the ideas of March.

Prize Essay Contest.

Austin, Texas.—Eleven prizes have been offered to students in the five state normal schools by the Texas Public Health Association, through the H. A. Wroe Prize Essay Contest, for essays on good health.

A first prize of \$15, with a second prize of \$10, will be awarded in each of the normal schools to the student who writes the best essay on "The Value of Health Education Through the Modern Health Crusade." A state prize of \$25 will be given to the author of the best essay from those which were awarded school prizes.

A local committee on awards, composed of a physician, a teacher and a third interested person will judge the essays submitted from each school. The State committee will probably be composed of a representative from the United States Public Health Service, the Department of Education, and the Texas Public Health Association.

The contest is to be announced in each of the schools, and closes the fifteenth of April. H. A. Wroe, president of the American National Bank of Austin, and treasurer of Association, who offers the prizes, declared that the purpose of the essay contest is to stimulate interest in health work among the students of the state normal schools.

The Modern Health Crusade, directed in Texas by the Association, reached over 416,000 school children of the state in 1919, and is now being conducted in hundreds of schools in the Lone Star State this year. The value of this health education among the "kiddies" will be discussed by the essay writers.

For Diseases of the Skin.

Nearly all diseases of the skin, such as eczema, tetter, salt rheum and barber's itch are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It allays the itching and smarting almost instantly.

The so-called whisky rebellion in upper Michigan turned out to be only a dull drab grape juice affair.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health. . . I can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced au-
tomobiles get greater mileage and economy
out of Goodyear Tires, so can the owners
of smaller cars similarly enjoy Goodyear
advantages.

The 30x3-, 30x3½, and 31x4-inch sizes of
Goodyear Tires are built to afford a money's
worth in performance and satisfaction which
only the utmost in experience, resources
and care can produce.

This extraordinary money's worth begins
not only with the merit of these tires, but
also with the first cost, which in most cases
is no greater, and sometimes actually is less,
than that of other makes of the same types
of tires.

Go to the nearest Goodyear Service Station
Dealer for Goodyear Tires for your Ford,
Chevrolet, Dort, Maxwell, or other cars taking
these sizes. He is ready to supply you Good-
year Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure
Fabric, All-Weather Tread..... \$20.00
30x3½ Goodyear Single-Cure
Fabric, Anti-Skid Tread..... \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that
reinforce casings properly. Why risk a good casing with a
cheap tube? Goodyear Heavy Tourist Tubes cost little more
than tires of less merit. 30x3½ size in water- \$3.00

KEEP THEM VIGOROUS

When a child suffers from the slightest exposure and is thin, listless and easily tired, that child ought to receive plenty of

SCOTT'S EMULSION

regularly. It is an essential factor in the health records of thousands of children. Given regularly, with or after meals, it helps keep them in normal weight, vigorous and spirited.

Try SCOTT'S for your boy or girl.

The Norwegian cod-liver oil used in Scott's Emulsion is super-refined in our own American Laboratories. Its purity and quality is unsurpassed.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

LIFT OFF CORNS!

Apply few drops then lift sore,

touchy corns off with

fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispose of the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

H. L. Morgan Dead.

Died Feb. 14th, 1920.

Many friends here were saddened by the news of the death of Mr. Haynes L. Morgan, at his home in Kingsville, on Saturday the 14th, following an operation. His health had not been good for some time, but the reports the first of last week were favorable.

Mr. Morgan was of the old South, a gentleman of the old School, true in word and thought and deeds to the ideals and principles that tend to higher planes of living, here and hereafter.

He was born in Guadalupe County, and lived most of his life in this county; moving to Seguin many years ago to educate his sons. He was rewarded for his constant thought and efforts for his sons by seeing them all grow into staunch, true manhood, worthy descendants of the father.

A few years ago he and his wife moved to Kingsville and have since made their home there.

Many there are who will remember him and regret his death, but all know that it was well with him whose faith was in his Heavenly Father.

Interment was made Sunday in the Kingsville Cemetery.

Mr. Morgan is survived by his wife; five sons, Dr. John Morgan, Prof. J. H. Morgan, of Eagle Lake; Troy Morgan, Guy Morgan of Corpus Christi, and Haynes L. Morgan Jr. and to them we extend sincere sympathy.

INCOME TAX IS DUE MARCH 15

Penalties for Delay and Failure to Make Returns—Early Compliance Urged.

All income tax returns covering the year 1919 must be filed by Monday, March 15. Each taxable return must be accompanied by check or money order for the full amount or at least one-quarter of the amount of tax due.

Cash payments are accepted only at the collector's main office; if sent by mail, they are at the sender's risk.

Residents of Texas should file their returns with, and make payments of Income Tax to, Alexander S. Walker, Collector of Internal Revenue, Austin, Tex.

Those who must file returns but have not done so are warned that the revenue law imposes heavy penalties for failure to get returns in on time or to make payments on time.

Early filing and early payments are urged, in order to relieve the internal revenue offices as much as possible of an overload on the final day, March 15.

THE STATE OF TEXAS

To the Sheriff or any Constable of Medina County, Greeting:

You are Hereby Commanded to cause to be published once each week for a period of twenty days in the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Medina County, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the Estate of McCrackin Kercheville, Deceased.

J. I. Kercheville, Administrator of said Estate, has filed in the County Court of Medina County, Texas, an Annual Exhibit of said Estate for the year ending on the 21st day of January 1920, which will be heard by our said County Court on the first Monday in April 1920, the same being the 5th day of said month, at the Court House of said County, in Hondo, Texas, at which time all persons interested in said Estate may appear and contest said Exhibit, should they desire to do so.

Herein Fail Not, but have you before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Hondo, Texas, this, the 4th day of March 1920.

[L. S.] S. A. JUNGMAN, Clerk County Court, Medina County, Texas.

Weather Report.

For Hondo, Texas, for month of February 1920:

Rainfall 0.25. since Jan. 1st, 3.27. inches; temperature, highest, 90 degrees F. on 23rd; lowest, 30 on 15th; 3 rainy days, 8 clear, 5 part cloudy, 7 cloudy.

Can A Million Motorists Be Wrong?

Endorsement of a tire by one hundred motorists would prove nothing.

Endorsement by a thousand would prove little, but when a million motorists, scores of great corporations and three thousand dealers like ourselves say that Horse-Shoe tires actually cost less per mile of service, their collective endorsement carries tremendous weight.

If this is the kind of a tire you would like to drive we should like to tell you more about it.
